**Mixed-Truck Load Shipping Available**

All Fesco products stocked in South Gate are eligible to ship on mixed-truck loads. This allows customers to load a truck with Fesco, insulation and membranes as well as other JM products.

Restrictions apply by State as follows:

|   |   |
|---|---|
| AZ, NV and Southern California (Fresno and below) | A maximum of 16 pallets of Fesco products per mixed truckloads allowed. More than 16 pallets of Fesco products require a full truckload shipment direct from our Stockton, California or Rockdale, Illinois facilities. |
|---|---|

Contact your local JM sales representative or customer service advocate to learn more about improved service flexibility with Fesco products in the Southern California, Arizona and Nevada regions.
