JM TPO Pipe Boots (Peel and Stick)

Johns Manville has expanded the already improved JM TPO Pipe Boot offering. The new smooth-surfaced boot is now available in a peel and stick application. Offering the same features and applications of the smooth pipe boot, the peel and stick pipe boots have the added advantage of rapid installation.

Diameter	1" – 6" pipe penetrations
Colors	Standard white
Packaging	10 pipe boots/box with 10 clamping rings in every box
Stocking Location	Scottsboro, Alabama
SKU	70001363

Use the [JM TPO Pipe Boot \(Peel and Stick\)](#) in all JM-approved flashing details where pipe boots are required. Priming the membrane with JM TPO Primer or JM TPO Primer (Low VOC) is essential. The guarantee term is limited to 15 years.

Refer to www.jm.com/roofing or contact Johns Manville Technical Services at (800) 922-5922 with any questions.
