

ValuWeld™

Greater weather resistance for your roofing budget.

ValuWeld is brought to you by Johns Manville, and is backed by more than 150 years of leadership and innovation. Enjoy the confidence of working with a company respected for comprehensive roofing solutions, performance-proven products and financial stability.

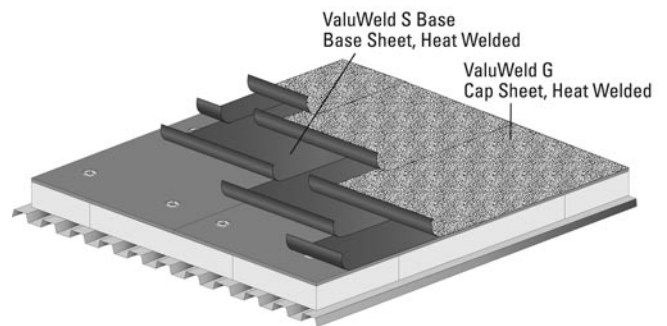

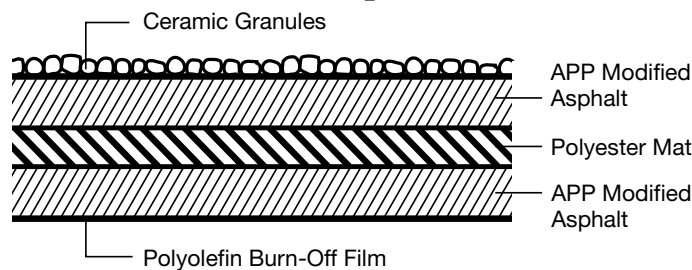

Put the strength of APP modified bitumen on your roof.

- Solid weatherability
- Good tensile strength
- Excellent heat welding and lay-flat characteristics
- Flexibility and easy handling
- Pliability for even the toughest details

Designed to be heat welded for an easier, cleaner application.

ValuWeld Membrane Composition
