

Description

JM PVC T-Joint Patches are manufactured with a flexible, non-reinforced thermoplastic material using an ultraviolet-resistant polyvinyl chloride and an Elvaloy® KEE (ketone ethylene ester) formulation.

The PVC T-Joint Patch is used to cover T-Joints in the membrane and in mechanically fastened roofing systems to cover the discs and fasteners used to secure the membrane to the roof deck.

Colors

White (SKU 70001405)
Grey (SKU 70001406)
Sandstone (SKU 70001407)

Packaging

100 pieces/box

Size

4.5" (11.4 cm) diameter

Weight

6.4 lb (2.9 kg)/box

Storage

JM PVC T-Joint Patches should be kept dry and clean prior to installation.

Installation

Refer to JM PVC Applicator Guides or Detail Drawings for instructions.

Precautions

Refer to the Material Safety Data Sheet prior to using JM PVC T-Joint Patches. Material Safety Data Sheet is available by calling (800) 922-5922 or on the Web at www.jm.com/roofing.
