

### Description

JM TPO Universal Corners are prefabricated corners for use in both inside and outside corner installations. The 6" (15.2 cm) diameter design fully covers cut edges on outside corners and is easier to install than field-fabricating corners from membrane. JM does not recommend field-fabricating outside corners.

### Use

Use in corner flashing applications on JM TPO-Coated Metal or JM TPO membrane.

### Colors

White (SKU 70001601)  
Tan (SKU 70001603)  
Grey (SKU 70001604)

### Weight

1.3 oz (36 g) per corner  
2.25 lb (1.0 kg)/carton

### Packaging

20/box

### Size

6" (15.2 cm) diameter (waffle pattern)

### Storage

Store JM TPO Universal Corners in a dry area protected from weather and extreme temperatures.

**Do not store in direct sunlight.**

### Installation

Install JM TPO products in accordance with current JM TPO Applicator Guides or Detail Drawings.

### Precautions

**Do not overheat membrane when using hot air tools to weld corners.**

**Refer to the Material Safety Data Sheet prior to using JM TPO Universal Corners. Material Safety Data Sheet is available by calling (800) 922-5922 or on the Web at [www.jm.com/roofing](http://www.jm.com/roofing).**
